A central photograph shows a young girl with long blonde hair, wearing a white bathrobe, holding a toothbrush. Next to her is a young boy in a white t-shirt, giving a thumbs-up and holding a bar of soap. The background is a light blue gradient with large, soft-edged circles. Surrounding the children are cartoonish illustrations of hygiene products: a blue spray bottle on the left, a blue bar of soap with a face on the right, and a blue bottle of hand sanitizer at the bottom right.
